## PRICES

In many instances prices are much higher than a year ago, due to the fact that there is a great demand for nursery stock of quality. As trees cannot be produced in a single year they will also be higher for some time.

---

**Terms**—Are necessarily cash. All orders will be sent C. O. D. unless cash accompanies orders.

---

**Packing**—At the lowest prices possible. We are in a position to make packing the very best as we buy our packing in large quantities.

---

Use price list to check your wants. Check each varieties according to number opposite the article wanted.

---

Vegetable and Flower Seeds have been added to our lists, thus carrying out our aim to supply everything that grows.

---

**Guarantee**—All stock to be true to name and color and in a healthy condition when it leaves the grounds, with this our responsibility ends. Goods not accepted on these terms must be returned at once.
